PROGRAM DESCRIPTION:

With LocaliZerSM from ASTRALCOM, you'll have an "always on" local marketing presence. Whether searched from a mobile device, a tablet, desktop, or car GPS, you'll be in front of all local customers, no matter where, or when they look.

HOW LocaliZerSM WORKS:

1) We create local awareness for your business across multiple destination and feeder sites:

2) We customize your listings with relevant details and content:

3) You reach and engage more local customers, consistently, across more local placements & sources:

Because we're search engine optimization (SEO) experts, we know the right combination of destination, 3rd party and content aggregator websites that help to create local search results.

LocaliZerSM from ASTRALCOM works with these very sites to ensure that your business always has a presence in;

- Local search engine services
- Local and regional directories
- Online map services
- 3rd party content aggregator sites
- Social networks

Yes, with LocaliZerSM, you can grow your business by reaching more local customers, more consistently.

Get more local customers, more often for one low price!

\$1,650.00*
no cap on impressions/clicks
