ASTRALCOM

INTEGRATED MEDIA SERVICES

CONTENT STRATEGY | CONVERSION MARKETING | CUSTOMER ACQUISITION

PROGRAM DESCRIPTION:

Get your press releases broadcast to local, regional and national media outlets and sources, search engines, freelance writers, bloggers, RSS and XML feeds. Target an industry vertical, or target a specific geographic market. With PRESSGRABBERSM from ASTRALCOM, you'll definitely get action on your press releases.

HERE'S HOW PRESSGRABBER WORKS:

1) We create an optimized press release.

2) We distribute it via search, social, media and news outlets.

3) We track pickup's, reads, syndications, clicks and inquires.

You'll know where your release was picked-up, exactly how many reads your press release generated and you'll be able to see your resulting organic links. Plus, we'll optimize your releases to support your website keywords for maximum benefit.

Getting press coverage and multiplying your links in the search engines is affordable and measurable, with PRESSGRABBERSM from ASTRALCOM.

RATE SCHEDULE: \$795.00 per press release *
